ABOUT COMPANY

Afezekisiwe Amaphupha (PTY) Ltd was established in 2019 as a construction company. The organisation specialised in infrastructure development, with a primary focus on servicing both the private and public sectors on an end-to-end scale.

The company has since evolved its focus to include the provision of commercial and residential construction, therefore improving the quality of living for those within the communities in which **Afezekisiwe Amaphupha (PTY) Ltd** operates.

MISSION

Our mission is to provide building and construction expertise to our clients and to deliver all projects to the required quality, on time and on budget.

VISION

Our vision is to become an industry leader in the multi-disciplines which we currently operate within the COstruction and civil engineering industry in South Africa.

We strive to be the industry's partner of choice, by delivering quality and value in the various construction sectors through integrated solutions and services.

Afezekisiwe Amaphupha strives always to create a desirable place of work within a safe working environment.
